Information Brochure

“Pharmacist: To heal, to educate and to create”

About Pharmacy

India has a vast and growing Pharmaceutical industry. Increasing number of hospitals, nursing homes and Pharmaceutical companies all over the country is a clear indication of the growing scope in this area. Pharmacy offers reasonably good career opportunities both by way of jobs as well as in terms of starting one's own business. The job avenues for a Pharmacist are with Pharmaceutical industry, Government departments, Universities, Teaching, Hospitals, Investigation, Research Institutes and software related jobs in the areas like Clinical Data Management, Regulatory Affairs, Pharmacovigilance, Statistical Analytical System, Medical Coding, etc.

Our Vision

To motivate our students to achieve academic excellence through a disciplined and dedicated academic program to become efficient Pharmacist with good moral values in order to contribute innovations and research to new drug development in future for better health care program of the nation.

Our Mission

- To tune up the attitude of our students to be the emerging quality pharmacy professionals with appropriate skills and ethical behavior for improved pharmaceutical care of the society with critical thinking, problem solving and life-long learning.
- To provide comprehensive education to students, that prepares them to exhibit ideals of professionalism, critical thinking, problem solving & life-long learning.
- To impart knowledge, develop skills & competencies in students in pharmaceutical sciences, clinical sciences, synthetic & analytical chemistry.
- To give pharmaceutical education of assured quality to all our students for attaining higher education & employment in premier institutions / organizations in India & abroad.
- To prepare graduates who can integrate ideas, information & skills to provide optimum Pharmaceutical care with honesty.

Management

Bojjam Narasimhulu Pharmacy College for Women is run by Sangam Laxmibai Vidyapeet, a registered voluntary social action group working for empowerment of girls through education since 1952. Vidyapeet has emerged as a synonym for imparting quality education for women and girls.

Course

This college is established in 2007, offering B Pharmacy course with an intake of 100 students.

Infrastructure

It has excellent infrastructural facilities with well-designed classrooms, well equipped laboratories, a well stacked library with online access to journals via DELNET and computer center including HP i4 configuration along with softwares like K-Van Solutions, HEB Ex Pharma Series, etc.

Faculty

The college has a highly qualified faculty, with an appropriate blend of experienced doctorates and dynamic youth, who help the students to acquire knowledge and meet global competitive standards for their future.

College Timings and Attendance

9:30 a.m. to 4:30 p.m. There will be six periods each of sixty minutes duration in a day, with a lunch break of sixty minutes. The college affixes great importance to attendance and rewards students having good attendance. It is mandatory for the students to maintain a minimum of 80% attendance every semester. Aadhaar based Biometric Attendance is also strictly considered.

Merit Awards

University gold medal winner is felicitated with a citation and awarded with cash prize of Rs 15,000 by the college management. Students who qualify and secure good ranks in GPAT are awarded with cash prizes in recognition of their achievement. The students who exhibit academic excellence and consistent merit are also awarded with cash prizes every semester.

Academic Activities

The academic atmosphere is highly disciplined and the academic programme is well planned. Seminars and tutorial classes are conducted on weekly basis in addition to the regular examinations. Different career oriented training programs, workshops and conferences are organized at the college.

Training and Placement

TP cell comprises of TPO and faculty incharge, to provide guidance and assistance to the students via Campus Recruitment Training to place students as Pharmacists, Quality Control Analysts, Medical Representatives, etc.
